TRIPLE ALLIANCE WINS BULGARIA AS PARTY TO TREATY

Reported King Ferdinand Has Joined Forces With Those Who Would Deprive Servia of Fruits of Victory.

LONDON REPORTS PEACE ENVOYS IN AGREEMENT

Declared Four Nations of Balkan Alliance Will Present United Front to Turkish Plenipotentiaries.

[By Leased Wire to Evening Herald] Paris, Dec. 14.—Bulgaria is declared to be about to enter the triple alliance, thus joining forces with Austria-Hungary, Germany, and Italy, according to information given from a diplomatic source to the Pilsudski King Ferdinand of Bulgaria, who was in Vienna on Thursday, is said the diplomat, on the point of concluding an agreement with Austria.

BALKAN PLENIPOTENTIARIES IN UNAMINOUS AGREEMENT

London, Dec. 14.—The chiefs of four Balkan missions to the peace conference have drawn up the terms of peace, which the allies intend to present with a united front to the Turkish plenipotentiaries. The terms are kept secret for the present and the plenipotentiaries of the Ottoman empire have decided that similar secret trials must mark the entire peace conference unless it should be considered advisable to issue communiques from time to time. This, however, may have the consequence of all the plenipotentiaries.

The delegates to the Balkan league have decided to propose Stojan Novakovich, the Serbian ex-premier and the oldest plenipotentiary, as chairman; but should the Turkish delegation object, an arrangement will be made by which the head of each mission shall preside alternately over the proceedings.

Premier Eleftherios Venizelos of Greece has been singled out as presiding officer, but he withdrew in favor of the candidacy of Novakovich. The Balkan nations have reached an unanimous agreement as to their attitude on various questions likely to be brought up before the conference, and if any differences exist they have been put into the background, for they present at any rate.

In regard to the alleged demand by Turkey that Greece must sign the armistice before the beginning of the peace negotiations, the plenipotentiaries of the Balkan league point out that when the armistice was signed by Bulgaria, Servia and Montenegro, the Turks were told plainly that Greece would participate in the peace conference under any circumstances.

The Bulgarian and Turkish envoys today visited Sir Edward Grey, the British foreign minister at the foreign office. Dr. S. Danoff, one of the Bulgarian plenipotentiaries, subsequently left for Paris to confer again with Premier Poincaré of France in regard to the European political situation.

Prior to his departure for Paris Dr. Danoff declined to make any prophecy as to the prospects of the peace conference. He said, however, "We certainly hope to conclude peace. Otherwise we should not be here."

He laid emphasis on the unity of the allies, declaring:

"I reaffirm that on all important questions, we are unanimous. As to Greece's attitude in connection with the armistice I should like to point out that an armistice is a matter of secondary importance. Peace treaties have been concluded in the past without an armistice."

Dr. Danoff dismissed the charge brought by the Greek papers in regard to Bulgarian atrocities during the hostilities, saying:

"That is no matter to be discussed today. We are here for a definite purpose—namely, to conclude peace between Turkey and the four allies. Other questions can come afterward."

Dr. Danoff will return to London in time for the first meeting of the conference in St. James' palace.

GREEK AND TURKISH SHIPS EXCHANGE SHOTS

Athens, Dec. 14.—A Turkish destroyer attempted to pass into the Aegean Sea from the Dardanelles today, but was driven back by shells fired by two Greek destroyers patrolling the straits. The Turkish fleet on either side of the waterway replied to the Greek guns, but without effect.

Oil Magnate Indicted.

St. Louis, Dec. 14.—A federal indictment charging Benjamin F. Moffat of Chicago with having used the means to defraud in connection with promoting sales of stock of the Buick Oil company of California, was made public today. The indictment which was returned Thursday alleges that Moffat represented that he was selling treasury stock and not common stock.

INDEMNITY URGED FOR AMERICANS WOUNDED BY MEXICANS

Commissioner of Army Officers Investigates Claims of Those Hurt by Bullets From Across Border.

AGGREGATE OF \$86,000 TO SATISFY CLAIMANTS

[By Leased Wire to Evening Herald] Washington, Dec. 14.—Twenty-three Americans who were wounded or whose relatives were killed or wounded by shots from across the Mexican border in April or May, 1911, should receive indemnities aggregating \$86,000 from the Mexican government, according to a report to Congress by a commission of army officers authorized to investigate the cases. All claims of Mexicans injured on the American side by bullets from Mexican revolutionists or federales were disapproved.
